Reimbursement Request

By signing below, all parties agree to waive procedures for a tile crossing under sections 468.600 through 468.622, Code of Iowa.

Specifications:

- Notification of construction shall be submitted in writing to the Bremer County Engineers Office 48-hours before construction.
- Contractor shall submit a valid Certificate of Insurance for \$1,000,000 of coverage.
- Tile crossings must be placed a minimum of 50-ft away from culverts and bridges.
- All traffic control signing and barricades must be in accordance with the 2009 MUTCD and shall be furnished by and maintained by the Applicant or Contractor.
- No payment shall be made for tile crossings that are connected to sanitary sewer lines.
- Only perpendicular tile pipe is permitted in the County ROW.
- Under no conditions will a trench for a tile crossing be left open overnight.
- No trenching/open cut shall occur before May 1 or after October 1.
- All tile shall have a minimum diameter of 6 inches.
- All backfill material within the road must be a good, compactable material. Please send a copy of the backfill material ticket to the Bremer County Engineers Office. The road must be backfilled to its original condition.
- All additional material must be removed from the County ROW before reimbursement.
- Paved roads must be bored.
- The County will pay for one tile crossing per road per watershed.

Reimbursement Rates:

Open Cut Crossing (gravel road only):

\$500 plus \$50 per inch over 6 inches (diameter of installed tile)

Bored Crossing:

\$1000 plus \$100 per inch over 6 inches (diameter of installed tile)

Applicant will be responsible for all construction cost and fees beyond what the County pays as listed above. Applicant shall submit invoice and proof of payment to County Engineer for reimbursement.

The Applicant, Adjoining Landowner, and County Engineer agree to the terms of this tile agreement.
