**Acknowledgement and Certification of the Applicant and/or Owner:**

I/We understand this application and that it, with required attachments, constitutes our entire request and that a decision shall be made based on the City Comprehensive Land Use Plan and City Ordinances, this application and any attachments, and public input. I/We certify that the information we have provided to the Zoning Administrator is complete, accurate, and true to the best of our knowledge. Any intentional falsification or change in the information contained in this application or to the attached information shall cause this application to become null and void and any approved home occupation or home industry permit to be revoked.

If approved, a home occupation or home industry permit will be valid until the home occupation or home industry ceases, the property changes ownership, or it is revoked. Because operating a home occupation or home industry is a privilege, a previously approved application may be revoked by the Zoning Administrator upon substantiated complaint of the surrounding neighborhood or upon violation of this Ordinance or the City Code of Ordinances.
